ABOUT US

At 360 Royal Technical Services Contracting LLC, we pride ourselves on delivering exceptional solutions in a myriad of technical fields. With a commitment to excellence and a team of skilled professionals, we offer a comprehensive range of services designed to meet the diverse needs of our clients.

MISSION

Our mission is to deliver innovative and reliable technical solutions in various domains, prioritizing safety and functionality. We strive to exceed expectations with expertise and integrity, leaving a lasting impression of quality and professionalism in all our projects.

VISION

Our vision is industry leadership in technical services, excelling in interior solutions, electrical services, and elevator installations. Through continuous improvement and sustainability, we aim to create enduring, inspiring spaces with a positive environmental impact.

OUR FEW VALUABLE CLIENTS

HSE POLICY

We prioritize safety above all else. We strictly adhere to HSE regulations and take proactive measures to identify and mitigate risks. Our employees are equipped with the necessary training and knowledge to work safely. We are committed to responsible resource management and seek eco-friendly alternatives in our operations. Exceeding client expectations while upholding the highest safety standards is our unwavering goal.

We continuously strive for improvement in HSE performance, fostering a culture of safety awareness and responsibility. Open and transparent communication regarding HSE matters is encouraged, and we maintain rigorous emergency response plans to ensure swift and effective action in unforeseen incidents. Our ultimate objective is to maintain an incident-free workplace while upholding our environmental responsibilities. We are 360 Royal Techincal Services Contracting LLC.

ARCHITECTURAL & INTERIOR DESIGN

360 Royal Technical Services Contracting LLC is committed to excellence in Architecture and Interior Design.
